

DUI COURT OUTLINE OF SERVICES

EVALUATION PERIOD

The evaluation period is a 14-day period in which you will decide whether or not DUI Court is appropriate for you. At the same time, the DUI Court team will evaluate your suitability for the program. During this period, you will actively participate in all DUI Court program requirements. The judge may extend this evaluation period if he/she deems it necessary. Phase One includes the evaluation period.

During Phase One you will be assigned a Probation officer. The AODS Court Coordinator will refer you to a case management provider who will assess your needs. Your progress will be closely monitored by the DUI Court team and reported to the judge.

PHASE ONE lasts a minimum of 90 days and its requirements include:

- Group counseling: Minimum 1 per week
- Individual counseling: Minimum 2 per month (includes intake, assessment, evaluation, and individualized treatment plan)
- Urinalysis (UA) testing: As directed. Testing is at the Orenda Center on Neotomas Avenue in Santa Rosa. You are also subject to random testing at the counseling offices, and by Probation
- Self-help meetings (12-step): Minimum 3 per week
- Court appearances: Minimum 1 per week unless modified by the Court
- Reporting to the probation officer once weekly, or when called upon
- Participating in the transdermal alcohol monitoring program (also known as the SCRAM ankle bracelet) for the first 30 days, or as ordered by the court
- Enrollment in the Drinking Driver Program located at 1300 Coddington Center in Santa Rosa
- Additional case management services as determined by the treatment team
- Curfew at the discretion of the Court
